Gentlemen:

Pursuant to your recent request, this letter proposal is submitted with reference to the procurement of five (5) additional camera systems similar to that single unit now under development at these Laboratories. This latter item is described by Task III, Purchase Order RD-113.

A cost analysis, presented herein, is based upon an additional quantity of five (5) camera units. These are as follows:

1. Camera, complete with body, lapse time control, magazines (100/200/400/1000 feet), Aperture controls.....ea.
2. Lenses, (25/50/100/300/500/1000mm) including filters.....
- 3.
- 4.

25X1

Total cost per unit \$ 14,057.20

25X1

If further information or data is required, please feel free to contact me at your convenience.

I would like to express my appreciation for the pleasure of your inquiry.
